

Webinar:

# BRIDGING THE GAP from LABORATORY EVIDENCE and REAL-WORLD PRACTICE in Healthcare Surface Contamination

Wednesday, 17 June 2026  
12:00 - 14:00 SGT (UTC+8)

HAIs remains a persistent challenge across APAC, despite established disinfection standards. This webinar unites international and regional experts to bridge the gap between scientific evidence and real-world surface disinfection and infection prevention practices.

## Meet the Speakers

### Dr. Marvin Rausch

Head of Disinfectant Testing Laboratory & Executive Director, Institute for Hygiene and Public Health, University Hospital Bonn

### Prof. Ling Moi Lin (Co-Chairperson)

Director of Infection Control, SingHealth and Emeritus Consultant, Infection Prevention & Epidemiology, Singapore General Hospital.

### Dr. Pamela Lee Yew Fong

SHEA Ambassador | SME, ASEAN CDC IPC Project | Bangsar, Kuala Lumpur, Malaysia

### A/Prof. Christopher Lai

Vice President, The Hong Kong College of Pathologists, and Honorary Consultant, CUHK Medical Center

### Prof. Regina P. Berba

Professor 10, Deputy Director for Health Operations and Chair Antimicrobial Stewardship Committee, Philippine General Hospital.

Further information including the registration link will be shared to all who have provided consent nearing the date.

### Prof. Sasheela Sri La Ponnampalavanar (Chairperson)

Professor in Infectious Diseases, Department of Medicine, Faculty of Medicine, University of Malaya, Malaysia

This webinar is organised by Schülke Academy, the professional education and training platform of Schülke, in partnership with MIMS.
