

WEBINAR

BRIDGING THE GAP from  
**LABORATORY EVIDENCE** and  
**REAL-WORLD PRACTICE** in  
Healthcare Surface Contamination

**17 JUNE 2026**  
WEDNESDAY

**12:00–14:00 SGT**  
(UTC +8)

Healthcare-associated infections remain a persistent challenge across APAC, despite established disinfection standards. This webinar unites international and regional experts to bridge the gap between scientific evidence and real-world surface disinfection and infection prevention practices.
